Enchanted Windows

The Lismore Lantern Parade invites Lismore businesses to decorate their windows with lanterns, lights, projections and props following the 2023 Lantern Parade theme – Gates of Renewal, or you can go Italian .. LisAmore!

Have your window display looking amazing on Tuesday 20 June at around 6pm when the judges will be doing a walk around to see your beautiful creations.

Promote your window display on Facebook and Instagram and tag @LismoreLanternParade so we can share your posts.

Make sure you use the hashtags #lismorelanternparade #enchantedwindows2023 #lanterns #heart #renewal #lisAmore when sharing your window.

There will be a prize for the best:

1. Gates of Renewal
 2. LisAmore! Italian themed window, and
 3. best overall window
- (3 awards in total).

The best windows will be determined by Lantern Parade judges on Tuesday 20 June from 6pm. The judges may also determine a runner/s up for this award. Judges decision is final and will be announced on Facebook on Friday 23 June 2023 at 6pm.

What can you use? Your creativity! Decorate your windows with lanterns (if you have them), fairy lights, projections, any props that fit the theme. Be as creative as you want to be ... dioramas, lights, fabric, paper, fresh produce ... weave a story around the stock in your shop/window. Check out the Fb page "The Gate Appreciation Society" for ideas!

Windows to be displayed from 20 June to 4 July.
